I will not force my child to play soccer. I will remember that my child plays sport for his or her enjoyment, not mine.

I will encourage my child to play by the rules and resolve conflicts without resorting to hostility or violence.

I will teach my child that doing his or her best is as important as winning, so that my child will never feel defeated by the outcome of a game.

I will make my child feel like a winner every game, by offering praise for trying hard and competing fairly.

I will remember that children learn best by example. I will applaud good performances by both my child's team and its opponents.

I will never question any official's judgment or honesty.

I will support the efforts of the Abbotsford Soccer Association.

I will make every effort to ensure my child gets to games and practices on time.

I will support the efforts of my child's coaches.

I will support all efforts to remove both physical and verbal abuse of players, coaches and officials.

I understand that if I do not follow the guidelines outlined above and my behavior is interpreted as negatively impacting player or team development, my child may be removed from the club.

I understand that my judgment of my child's abilities may be subjective and I will accept the more objective assessments of the coaching staff.
