I play this game to strive for personal achievement and Excellence through honest effort.

I am committed to the Abbotsford Soccer Association for the period I am signed with them.

I will learn and understand the Laws of the Game of Soccer and play by them and the unwritten rules of Fair Play.

I will not use verbal abuse, violence or physical intimidation, as I realise that they only harm the game.

I agree that racism and bullying are not a part of soccer and will not resort to their use.

I understand that all officials, teammates and opponents are integral to the success of a team and a club and ultimately to me, and are worthy of my respect.

I will play with intensity and desire, but will accept official's decisions without argument and behave graciously during winning or losing.

I will remember that although on field success is important, developing as a player, having fun, making friends and doing my best are just as important.

I will play because I want to play, not because my coaches or parents want me to.

I will accept the club's decisions to place me where they feel it benefits me most as a player.

I agree to Play Fair
