Rule of Two Policy

RULE OF TWO

This means that the coach is never alone or out of sight with your child.

Two trained or certified coaches/volunteers should always be present with an athlete, especially a minor athlete, when in a potentially vulnerable situation such as in a locker room or meeting room. All one-on-one interactions between a coach and an athlete must take place within earshot and in view of the second coach/volunteer except for medical emergencies.

One of the coaches must also be of the same gender as the athlete.

Should there be a circumstance where a second screened and trained or certified coach is not available, a screened volunteer, parent, or adult can be recruited.
