Overview

This document can be treated as a reference guide for new and returning ASA families. It is applicable for Fall, Winter and Spring Seasons. It will cover topics for both the OTTO Sport app and the OTTO Sport website. See the **Getting Started** sections for more information to getting access.

Getting Started

Before getting started, please visit our website, www.abbotsfordsoccer.com and click the REGISTER (OTTO SPORT) button to create an account.

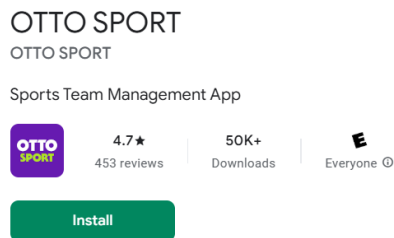

If you have any questions during the account creation process, please refer to this page for the account creation process: <https://OTTO Sport.my.site.com/s/article/How-to-Setup-User-Accounts-Register>

Install the OTTO Sport APP

The OTTO Sport app is the central source of your program or team's schedule and messaging. Install the OTTO Sport phone app from your phone App Store.

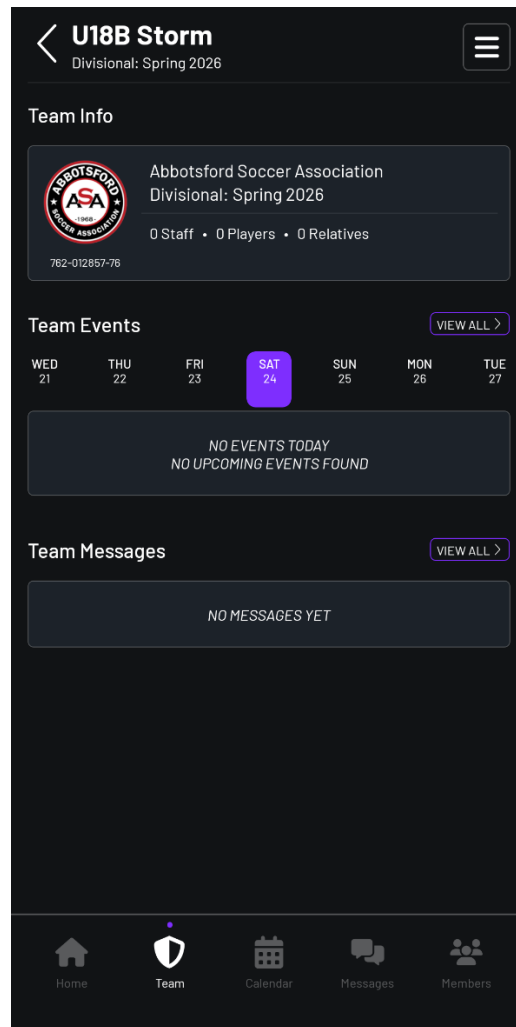

Once installed the app will ask for you login information, which is the same username and password you used for registration.

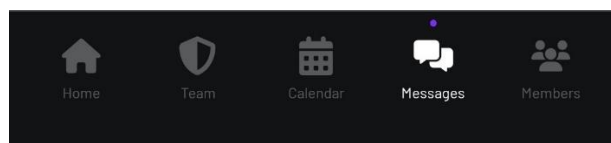

Home Screen

The home screen is the starting point for navigating the OTTO Sport app.

Team Chats

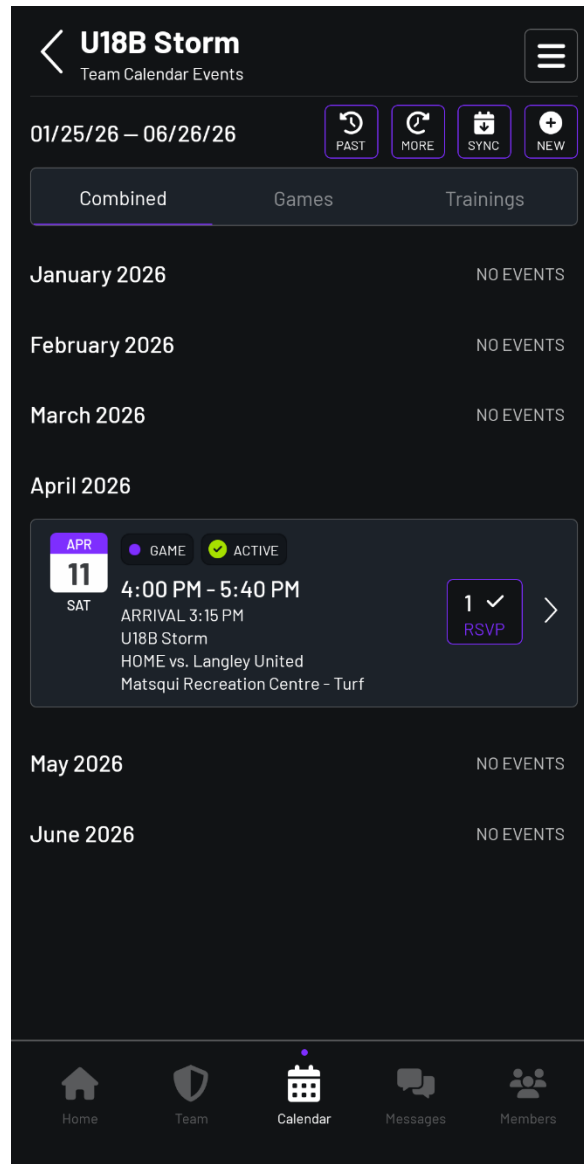

The OTTO Sport app has messages / team chat that functions like similar to WhatsApp and most others. It can be accessed from the **Messages** option from the bottom of the Home Screen.

Team Schedule

The OTTO Sport app has your team's schedule for games and practices. It can be accessed from the **Calendar** option from the bottom navigation bar of the Home Screen.

Attendance

It is expected that you will let your coach know if you can't attend a practice or game. Tap on the upcoming event > then tap Attendance and select either Yes, No or Maybe
